Garrison

was notable

to do - one had

telegraphed

early in the morn.

Your illness may

disagreement as reasons

for absence - I had

to leave that after-

to lecture - & the  
same reason prevented  
my being at the State  
House: tho' I see  
you have all the info  
necessary -

I have written  
to Mr. Farre - also -  
explaining more  
fully the case

With kindest  
regards to Helen
